**PLEASE PRE-REGISTER:** Go to [perkvalleyart.org](http://perkvalleyart.org) to let us know you are entering your work and to help us expedite the show. Our volunteers will thank you!

**TYPES OF WORK:** Only original works created in the last five years and not shown in any previous PVAC MEMBER SHOW are eligible. We accept original paintings, drawings, pastels, prints, collage, photographs, and sculpture. If the work was derived (or copied) based on the work of another artist or source - i.e. on line photo, painting, or drawing etc. it will not be accepted. Crafts and artwork with objectionable subject matter are not accepted. The show committee reserves the right to omit any submission that does not fit the show criteria.

**ARTWORK SPECIFICATIONS:** The largest dimension allowed in any direction including the frame is 42 inches. Works must be dry, labeled, and ready to hang - using wire attached to the frame between one-third and one-quarter of the way down the sides (on the back of the piece). Sharp points on wire hangers should be taped over. Do not use sawtooth hangers, clip on glass or easel back frames. Stretched canvases or prints with finished edges DO NOT require a frame.

**SHOW ENTRY FEE & ENTRY FORMS:** The fee to enter is \$20 and allows each artist to submit two pieces of work. Your fee helps cover the costs associated with the show. A completed entry form must accompany your work. Block printing and adhesive name and address labels are welcomed! If your work is not for sale - print NFS in that space. Trim and attach the Artwork ID Label /Temporary ID Card combo to the upper left corner of the work (on the back.) The Artist receipt label is optional and should be retained by the artist. Go to [perkvalleyart.org](http://perkvalleyart.org) for additional forms.
