

An Invitation To Artists:
To Celebrate the Outdoor World of Phoenixville,
We're Creating a Community Nature Journal

As nature inspires you, please join this project and create your own page for this Earth Day Journal. Words, pictures, numbers and responsive poetry will make this compilation a singular environmental community gift of Phoenixville's Earth Day Community. To learn how, join us for a **FREE** hike and workshop at 10 AM on Tuesday, March 12. We'll meet at the Lock bridge at Lock 60 (Schuylkill Canal Park). *Participation in the hike is not mandatory.* Please visit joliechylackstudio.com or follow the QR code for details.
